PROGRAM NOTES

The Star Wars[™] movie phenomenon has captured the imaginations of three generations of movie fans worldwide. Beginning in 1977 with the release of Episode IV: A New Hope[™], the vision of George Lucas, combined with the music of John Williams, has resulted in the most successful series of films and the most recognized soundtrack in history.

Robert W. Smith has drawn upon the imagination of John Williams and George Lucas to create SUITE FROM THE STAR WARS[™] EPIC, which includes music from all six movie episodes. Beginning with Episode I: The Phantom Menace's[™] "Duel of the Fates," the journey through the galactic empire begins. The hauntingly beautiful "Across the Stars," from Episode II: Attack of the Clones[™], is followed by the theme from Episode III: Revenge of the Sith[™] to complete Part One of our interstellar musical travel.

Part Two continues with "Princess Leia's Theme" from Episode IV: A New Hope[™]. Episodes V and VI (*The Empire Strikes Back*[™] and *Return of the Jedi*[™]) give us the menacing "Imperial March" and the lighthearted, yet powerful, "Forest Battle." The suite continues with the *Star Wars*[™] Main Title, drawing the musical epic to a fitting conclusion.

SUITE FROM THE STAR WARS EPIC is dedicated to John Williams, whose life's work and musical legacy will endure for centuries to come.

NOTES TO THE CONDUCTOR

This suite offers a myriad of programming opportunities depending upon your performance situation. It was conceived as a chronological series of musical vignettes representing the six movie episodes. However, you may wish to adjust the order, as well as the specific movements to be performed, to fit your programming needs.

SUITE FROM THE STAR WARS EPIC can be performed at the beginning or end of a concert. In some situations, such as a children's concert, you may wish to perform the main title at both the beginning and the end, allowing the reprise to serve as an encore. You may also wish to consider turning the suite into a multimedia performance piece featuring *Star Wars* images and artwork for visual content.

I hope that you, your ensemble and audience find SUITE FROM THE STAR WARS EPIC to be a musically rewarding experience. Best wishes for a wonderful performance!
