PROGRAM NOTES

With over 170 million combined albums, singles, and videos sold worldwide during her career with Arista Records, Whitney Houston (1963–2012) established a benchmark for superstardom that will quite simply never be eclipsed in the modern era. She is a singer's singer who has influenced countless other vocalists, both female and male. Born into a musical family on August 9, 1963, in Newark, New Jersey, Whitney's success might've been foretold. As a teenager, Whitney was already singing on the scene in New York, and her first young performances in the '70s and early '80s, featuring album credits with such eclectic acts as Michael Zager, Chaka Khan, Herbie Mann, the Neville Brothers, Bill Laswell's Material, and others, are much sought-after collector's items.

From Whitney's best-selling albums, this medley includes "Queen of the Night," "I Have Nothing," "I'm Your Baby Tonight," and "The Greatest Love of All." These titles were major international hits for Whitney, which displayed her versatility on a new batch of tough rhythmic grooves, soulful ballads, and up-tempo dance tracks.

NOTES TO THE CONDUCTOR

This medley provides an opportunity for students to be exposed to the music of Whitney Houston and learn the different rhythmic grooves incorporated in her music. The first selection, "Queen of the Night," is written in a "Disco" style and is pretty straightforward. This dance style was predominant in dance clubs during the seventies and its musical influences include funk, Latin, and soul music.

Disco music was a worldwide phenomenon, but in the United States, the popularity of disco declined in the late 1970s. The second selection, "I Have Nothing," is a classic slow soul ballad ($\text{♩} = 50$) written in $\frac{12}{8}$. In this style, the slower the tempo, the simpler the rhythm pattern. It is very important to understand that ballads are four beats to a measure and are broken down in the following tempo categories: slow, medium, and up-tempo. When written in $\frac{12}{8}$, the tempo is very slow and each beat is felt as a multiple of three. The third selection, "I'm Your Baby Tonight," is also written in $\frac{12}{8}$, but it is much faster ($\text{♩} = 104$), and consequently we get the Motown blues shuffle style. The last selection in the medley is "The Greatest Love of All," a medium ballad written in $\frac{4}{4}$, leading to a recapitulation of the beginning statement.

Please notice that all of these pieces were written as dance music and, unless marked otherwise, the rhythmic groove should be steady throughout. Work on the transitions from one title to the next and make certain that all dynamic levels are followed as indicated. If a more authentic sound is desired, amplify the piano, and use an electric bass and drumset as part of your rhythm section.

This outstanding Whitney Houston tribute may take a little more time to put together due to its duration; however, I am certain that the work will be worthwhile and your students and audience will enjoy it.
