PROGRAM NOTE

Fanfare Fantastique is bold and exciting work composed for the developing concert band. Our performance features powerful melodic lines in the brass and woodwinds combined with active and aggressive percussion throughout. With the talented musicians in our band, the result is nothing short of fantastic!

NOTES TO CONDUCTOR

The keyboard percussion and timpani should fill the hall in the opening four bars to set the tone for the piece. You may wish to double the keyboard percussion on multiple metallic instruments as personnel and inventory allows.

Beginning in measure 5, strive for a consistent interpretation with the accented half notes. This will require unifying the accent and note shape throughout the ensemble.

The melodic line in the clarinets, saxophones and horns beginning at measure 31 should be clearly present above the accompanying quarter note rhythmic figures. Please ensure the quarter notes in the low brass and woodwinds are not too short. The keyboard percussion responds to the melody in measures 37-38. Please balance accordingly.

The dynamic decrescendo/crescendo effect in measures 75-76 provides a valuable teaching opportunity. For maximum effect, please focus the entire ensemble on shaping the dynamic contour in a same way leading to the final note.

I hope you and the band enjoy *Fanfare Fantastique*. Best wishes for a wonderful performance!
