## FENDER BENDER

COMP. & ARR. BY CHRIS SCARNATO

**NOTES TO THE CONDUCTOR**

- 1) Feel free to open up the first 12 measures for additional rhythm section soloists or to let the piano solo build more.
- 2) The articulations are very important and should be played as written.
- 3) The Piano part has chord symbols but it is best to play as written to avoid voicing clashes with the horn figures.
- 4) The solo section at Letters C & D may be opened up for more soloists.
- 5) Be sure to insist that your students play the dynamic markings properly which will give life and expression to this arrangement.
- 6) Learning time is always hastened when students can hear the recorded example which can be downloaded from the Smart Chart website or played from the Barnhouse website.

I hope you and your students enjoy this composition..... Mike Carubia
